**KeeLee Tan 醫師**

Dr KeeLee Tan graduated from University of Western Australia in 1992. He worked in Royal Perth Hospital from 1992 till 1997 undergoing his Surgical training. In 1999 he started practising Cosmetic Surgery. He underwent the Cosmetic surgery training programme with the Australasian College of Cosmetic Surgery, and he obtained his Fellowship in Cosmetic Surgery and Medicine in 2002.

Since 1999, he has been the Medical Director of Rejuvenate Clinic, specialising in non surgical cosmetic procedures such as Lasers, Non surgical liposculpturing, Intense Pulse light, Medical microdermabrasion, anti wrinkle treatments and dermal fillers. He also does platelets treatments and stem cells.

Dr Tan is actively involved in research and has published numerous papers in Cosmetic Medicine in topics such as Microdermabrasion, Non Surgical Liposculpturing, Safety of Fractionalised CO2 lasers on Asian skin and recently a White paper on ClearLift.

Dr Tan has also been actively lecturing in Cosmetic Surgery and Medicine since 2002. He was a lecturer for International Academy of Cosmetic Medicine and later Australian Aesthetic Academy. He has been teaching doctors in Indonesia since 2002 the art of Cosmetic medicine and surgery.

He has also been invited to speak in various countries and conferences. He has been in the Education Committee for The ACCS conference since 2009.
